2017 Annual Board Member Election

The Election Date for the Board of Director Election was once again extended. At the meeting on September 1st we received 291 valid ballots. In order to count the ballots we need to reach a quorum of 449 returned valid ballots. The members present at the meeting voted to extend the election to September 29th at 1pm. The board voted to start the petition process to ask the courts permission to count the ballots as received.

The petition was filed and the court date is set for November 6, 2017 at 1:30 p.m. at the Tehama County Courthouse, 1740 Walnut St, Red Bluff, CA 96080. You can find a copy of the petition on our website www.ranchotehama.org. The election is still ongoing and ballots will still be accepted. If we can reach quorum before the court date we can save the association money. If you have not already voted, please submit a ballot ASAP! If you need a replacement ballot, contact The Ballot Box at 1-888-558-2887.

Don't forget that you don't have to vote for any candidate to save the association money, **you can return a blank ballot and help save thousands of dollars?** This money can be better spent on common areas such as the roads.

FREE CLEAN-UP EVENT- SEPTEMBER 30TH FROM 8AM TO 1PM

Brought to you by: Paint Care, Bye Bye Mattress, Green Waste of Tehama

Don't forget to bring your large bulky items, mattresses, paint and electronics on Saturday, September 30th from 8am-1pm. This is a free event!

Rancho Tehama Transfer Station Updates

As you must be aware, the transfer station has been a topic of interest for the past year. The Board of Directors researched and discussed different options on how to decrease our garbage disposal cost, while keeping this badly needed service. Input was requested from the members, and we appreciate those who took the time to give their advice.

Changes are anticipated, but for right now things remain the same.

Reminder: a use sticker issued from the association office is required in order to use the Transfer Station. You must be able to prove you are a member or resident of Rancho Tehama to receive a sticker (stickers will be changed soon to the new barcode stickers; notice to get new stickers will be sent in future newsletters)

There is also a use restriction of one truck load per week.

If clean-up jobs require several truck loads or is a contract job, then the member/contractor needs to make arrangements to get their own bin.

The proposed use guidelines from the last newsletter is not yet in effect.

The members WILL be notified before implementation.

Our transfer station attendants do an excellent job. They carry out and enforce the policies given to them by the Board of Directors. Change can be difficult, and can take time to get used to. Please do not take out frustrations on the employees. For questions or concerns please go to the association office and ask to speak to a board member.
