ASSOCIATION DUES

We understand that the cost of everything is going up. It is important to point out that The Association spends a great deal of time and money dealing with the issue of unpaid dues.

As an Association we are required by law to follow specific rules and guidelines to resolve these issues. Please do not ignore your “Urgent Notices”. If you find yourself in a position where you cannot pay your dues, please call the office and set up an appointment to discuss a payment plan to get your account current. By signing up for a payment plan you can stop the late fees and prevent further collection actions. We also do not charge any interest for these payment plans

If you ignore these notices, and fail to pay your dues, a lien will be placed on your property along with the unpaid dues, late fees and fees associated with filing the lien. Continued nonpayment can result in additional actions and collection costs.

So please, if you find yourself in this situation, call us as we would like to give you the opportunity to get caught up.

From the Treasurer: On behalf of the entire Board of Directors we are saddened by the retirement of our Excellent Association Manager Lisa Cruz. Her honesty, customer relations and desire to help people cannot be matched. We wish you the best and thank you for your service to this community. You will be truly missed.

We would also like to thank Karen Pattee for her hard work and dedication. Karen's involvement in several areas of Rancho Tehama will be sorely missed. Thank you Karen for being the person you are!!
