RANCHO TEHAMA ASSOCIATION

TRAILBLAZER April 2020

Office Closure

Even though we are a Homeowners Association (HOA), we are still required to abide by federal, state, county and city mandates. As of March 20, 2020, Governor Newsom has issued an executive order stating that all non-essential businesses are closed until further notice. The association office, landfill, Rec Hall, parks and all community areas will be closed to the public until the order has been lifted. The Post Office will remain open until the Federal Government mandates that it be shut down. We will post updates on the website as they become available. Please mail your assessment fees to Management Trust at the address given on your bill. If you are paying by telephone, call Management Trust with your credit or debit card information.

In addition, paperwork and forms may be found on our website at www.varcomm.net, or may be emailed or mailed to you.
