TRAILBLAZER

September 2020

ELECTION REMINDER

Ballots will be coming out in September and the voting date is October 24, 2020.

The record date of May 31, 2020 to be eligible to vote is being rescinded due to SB323. We want to ensure that everyone who is a member at the time the ballots are distributed can vote.

EMERGENCY SAFE REFUGE AREAS

We are pleased to announce that the Board is working on emergency escape routes that have been abandoned for some time. We would also like to note Debbie Elworthy, Richard Gutierrez and the maintenance crew are working diligently to have this work completed during this time of need.

On the back of this Trailblazer are the proposed Rancho Tehama Safe Refuge Areas. Not all of the emergency exits have been fully completed as there are homeowners who have constructed fences or have other obstructions in the way. We have recently completed the escape route on Bob Cat Lane. It's on the left hand side, it will be marked as soon as possible. This route is accessible by vehicle and will take you to Boggs Champlin Rd. We are still asking if there is anyone that can volunteer please call the office for an application. It takes all of us. United we stand.

OPEN BOARD MEETINGS AND EXECUTIVE MEETINGS

The Board is discussing setting Zoom conferencing to hold our open meetings. Please stay tuned for further information.

We can't accept any cardboard until the compactor is received. We will notify the community as soon as it is arrived and in working order. The Board of Directors would like to personally thank you for your patience while we resolved the cardboard situation!!!!
